

Second Childhood Consignment Agreement

SECOND CHILDHOOD is a locally owned consignment store featuring name brand, trendy clothing sizes infant thru teen.

SECOND CHILDHOOD operates on consignment, which means you bring in your gently used children's clothing, shoes, and accessories and receive 40% of the selling price once it sells.

CONSIGNMENT HOURS: Tues/Sat 10-4 Wed/Thurs/Fri 10-5 No appointments necessary!

HOW IT ALL WORKS!

SECOND CHILDHOOD will go through your items when you bring them in and select those we wish to sell. If after consigning we later find an item unacceptable to sell for any reason, the item will be donated.

All items must be freshly laundered, current, and in "ready to sell" condition.

You may use credit posted to your account towards purchases in the shop at ANY TIME! Cash (amounts under \$25) or checks (amounts over \$25) may also be picked up in the store at ANY TIME. If you need your check mailed, just call the shop and we will be happy to make arrangements!

Within 75 days, or by final pick up date (whichever comes first) you can make arrangements if you wish to pick up any unsold items. After this time, all remaining items become the property of SECOND CHILDHOOD to be sold or donated.

A handling fee, paid by the buyer, will be added to all items over \$3.

Thank you for the opportunity to sell your children's outgrowns with us. Since 1976, we have been committed to unbeatable service to bring down the cost of growing up!

I understand and accept the above terms.
